Sub: Equal Opportunity Cell (EOC)

An Equal Opportunity Cell (EOC) in an educational institution aims to promote equity, inclusion, non-discrimination and equal access to educational, employment and institutional opportunities for all members of the campus community.

1. Objectives of the Equal Opportunity Cell

- To promote equality, fairness and inclusivity across the institution.

- To prevent discrimination and ensure equal opportunities in education, employment and institutional participation.

- To create awareness regarding equal rights, diversity, inclusion and respect for individuals.

- To provide a mechanism for addressing concerns relating to discrimination, exclusion or unequal treatment.

- To encourage participation of individuals from diverse social, economic and cultural backgrounds.

- To facilitate accessibility and support for persons with disabilities and other individuals requiring institutional assistance.

- To promote a safe, respectful and supportive academic and workplace environment.
